

Recruiting enthusiastic Regulatory professionals at all levels  
to join our expanding team based in the UK and in France

BlueReg is recruiting and we are looking for enthusiastic Regulatory professionals with experience in EU Regulatory Affairs.

Blue Reg was founded in 2011 and since then has seen significant year-on-year growth.

It comprises a team of more than 40 highly experienced full-time employees who have proven track records within the pharmaceutical industry.

Blue Reg has over 100 clients ranging from large multinationals to small start-up companies, from innovators to generic companies.

If you want to join this dynamic and dedicated team whose members are committed to working together to provide clients with a high quality service, please send a copy of your CV and a cover letter to [contact@blue-reg.com](mailto:contact@blue-reg.com).
